Refurbishment Program - Instructions & Terms

- Refurbishment services are **only** available on original Par Aide products; Ball washers containing internal parts from other manufacturers will not be accepted.
- Freight to be paid by customer.
- Call Tags available upon request - paid by customer.
- **Cracks, holes or broken castings will not be repaired. If a product is not useable or repairable, it will be returned in original condition.** Par Aide reserves the right to not refurbish a product for any reason.
- Please properly label all cartons with Par Aide ship to address.
- Please note the golf course and dealer name on all cartons.
- A packing list is recommended when shipping products for refurbishment.
- Include contact name and telephone number with products. In some circumstances it may be necessary to contact the golf course directly.
- **In order to maintain proper control of the items, we must insist that all refurbishment orders be shipped directly from the golf course.**
- Prior to shipment, be sure that your Par Aide dealer has placed an order with Par Aide and provided the necessary ordering information with us.
